BAKER EXTENDED DAY PROGRAMS POLICIES AND PROCEDURES

STATEMENT OF PURPOSE

The Baker School Extended Day Programs provide a setting where children of different ages, interests, and abilities can grow and learn together. Our programs enrich and compliment the regular school day and are designed for children in kindergarten through grade 7 who are in need of care past the hours of the school day. Our goal is to aid in the social, emotional, and physical development of the children. We encourage our children to be creative, to enjoy nature, to read and enjoy the world of books, enjoy physical activities and to become good decision makers. We want our children to be able to unwind and relax from their school day, and to pursue leisure activities of their choice.

We believe each child can learn to be respectful to their peers and teachers, cooperative with all, and become caring, responsible individuals.

LOCATION

The Baker School Extended Day (BSED) is located in the Edith C. Baker School, 205 Beverly Road, Chestnut Hill, MA, 02467. The program operates out of three large spaces located in the basement of the main building. The two areas are one floor above the other and can be entered through the doors located off the parking lot walkway. Throughout the course of our program, we do have access to the library, auditorium, cafeteria, and gymnasium. BSED is also fortunate enough to be able to use the playground areas, the sanctuary, and the town tennis courts.

ORGANIZATION AND ADMINISTRATION

BSED is a private, non-profit cooperative. Under its bylaws, the Board of Directors are to include a president, a vice-president, a corresponding and recording secretary, a treasurer, and a minimum of two members-at-large. Elections are held each fall. The Director is hired by the Board and is responsible for the day-to-day administration of the program.

The following chart illustrates the lines of authority of the program:

The 3rd-7th grade program at BSED reflects the fact that the children in these grades need a less-structured environment and are expected to assume more responsibility for themselves. Although the basic schedule remains the same as that of the younger children, we have built in an opportunity for the older children to complete their assigned homework and participate in long-term and community service projects under a teacher advisor. 3rd-7th graders also participate in skating and various other field trips.

REGISTRATION AND ENROLLMENT

BSED does not discriminate on the basis of sex, race, color, national origin, religion, physical or mental disability, income level, cultural heritage, marital status, sexual orientation or political beliefs. BSED encourages children of all backgrounds to attend.

BSED registration is traditionally held in early May. Children presently enrolled in BSED may re-enroll through our In-House Registration Program held the week prior to the May Open Registration. Notification of the Annual Open Registration is sent home to all Baker School students, placed in the Principal Notes, PTO Newsletter, Brookline TAB, and is posted in the local library. All children registering for Kindergarten in the fall will receive information about our program from the PBS orientation packet.

Parents/guardians are strongly encouraged to visit the program with their children before making any decisions regarding enrollment.

Please know that being toilet trained is not an eligibility requirement for enrollment.

FEES AND PAYMENT POLICY

BSED salaries, supplies, administrative expenses and scholarship funds are supported entirely by the fees charged for enrollment. The Brookline Public Schools provide the space and utilities for a user fee determined by the School Committee on a yearly basis.

Tuition rates for all programs are determined by the Board of Directors in early June. (During this COVID-19 crisis, tuition for the month your child is presently attending, will not be refunded, if the program is shut down by the BPS or the State of Massachusetts. Tuition payments made the month before the shutdown will be refunded, and no further tuition payments will be required until the program reopens. Tuition refunds for quarantine absences will be determined on a case by case basis by the BSED Board of Directors.)

1. Tuition payments are due the first day of each month from August until May and are paid to reserve an entire month of childcare, according to the option agreement, **regardless of the actual number of days and/or hours the child attends**. Payments are paid on-line **OR** sent to the book keeper whose address is provided on your online account. BSED staff **CANNOT** accept payments.
2. Tuition payments are due on the first day of the month. If the tuition is not paid in full by the end of the second full week, a late payment fee will be assessed. Any tuition that is not paid by the last day of the month, in which it is due, may result in an immediate suspension of the childcare services until the fees are paid in full. If tuition is not paid in full by the end of the second month, the child may be automatically discharged from BSED. Reinstatement may occur on a space-available basis when all fees have been paid.
3. Non-sufficient fund checks are held until cash or a money order is received by BSED to cover the amount of the check. Parents/guardians will pay a charge for a NSF check. Parents/guardians will be notified immediately upon receipt of the

NSF notice by BSED and shall have two school days in which to pay the charge and tuition in full by cash or equivalent. If not paid by the end of the second day notice, childcare services will be suspended immediately. If the tuition charge is not paid in full by the end of the first full week after notice, the child may be discharged from BSED.

4. If all of the child's enrollment forms are not completed and returned to the program by the day the child is scheduled to start BSED, the child **WILL NOT** be allowed to attend until these completed forms are submitted. The parent/guardian will be responsible for payment of monthly fees starting from the scheduled date in order to reserve the enrollment spot until the completed forms are returned. **Any changes in actual days (M/Tu/W/Th/F) will not be accepted between September 1st and October 1st.**
5. A registration fee of \$100 is payable upon acceptance into the program. Your space is not guaranteed until the payment is received. The fee is refundable only if your child does not attend the program. Once your child attends the program, the fee becomes nonrefundable.
6. Once you commit to a certain number of days per week, you will be contractually bound to pay for those days throughout the semester. There are two semesters a year: June 20th to January 20th and January 20th to May 20th. Thus, if you reduce the number of days after June 20th, you will be obligated to pay at the higher rate through the December payment. Your tuition rate will drop to the lower rate for the second half of the year. If you reduce the number of days your child attends after January 20th, you will be obligated to pay your full tuition bill for the second semester.
7. The first tuition payment is due on August 1st. This is the payment for September. Subsequent payments are due on the first of each month thru May.
8. The tuition rates reflect an annual tuition divided into equal monthly payments. All holidays and school vacations have already been factored into the annual rate.
9. Children attending the skating and bowling programs may be charged a small fee to cover the cost of the rental equipment and transportation.

ADDING EXTRA DAYS

When adding an extra day for a child attending part time, arrangements must be made in advance by going on line to our website (www.bsed.org) and making that request on the forms for that purpose. Two business days are required. A payment of \$40.00 for each extra day must be included in your next monthly payment. The bookkeeper will be notified of all extra days by the Director on a monthly basis.

IRS STATEMENTS

BSED does not routinely provide an itemized statement for tax purposes. We suggest that you keep a record of your monthly checks as an accurate account of your childcare expenses. A statement can be provided, upon request, from our bookkeeper. Our taxpayer identification number is:

EIN# **04-257-3747**

DONATIONS

BSED appreciates donations and all donations are tax deductible. See the Director for a receipt for items donated. Cash donations should be submitted to the bookkeeper with a note indicating that it is a donation to BSED. The bookkeeper will acknowledge the donation with a letter for tax purposes.

SCHOLARSHIPS / TUITION ASSISTANCE

BSED has set aside in its budget some funds for scholarships. Because the amount is limited, BSED cannot grant full scholarships to any one child. The highest percentage of tuition that will be awarded to any one family is 50%

The Director and Board of Directors consider all scholarship applications submitted by July 1st. Application information may be obtained from the Director. Letters of Eligibility from the Brookline Public Schools will be accepted in lieu of our application. Strict confidentiality will be maintained.

ELIGIBILITY

A child may be registered for enrollment in BSED at any time. Children must be in grades K-7th and registered in the Brookline Public schools to be eligible for enrollment.

REGISTRATION/ENROLLMENT

Parents/guardians of registered children will be contacted in August regarding further information about their enrollment in BSED for the coming year.

1. Parents/guardians will be provided with a set of electronic enrollment/information forms (paper copies available upon request). Prior to the child's first day of attendance, the parents/guardians will complete all forms and submit them to the program. A complete set of forms is required for each child enrolled in BSED. Children returning to the program MUST have a NEW set of forms completed each year.
2. Children will be allowed to attend BSED only after all forms have been completed and returned, and payments have been submitted. If the parent/guardian has not submitted completed forms after the date when the child was scheduled to start attendance, the parent/guardian will be responsible for payment of monthly fees in order to reserve the enrollment spot until such time as the completed forms are returned.

CHILD ENROLLMENT/INFORMATION FORMS

Parents/guardians will be asked to complete the following forms, on- line, before the child can attend the program:

Child Information Form	Release Form
Record of Immunizations	Arrival/Departure Forms
Allergy/Medical Condition Information	Medication Release (as needed)
Emergency Medical Consent	Individual Health Care Plan (as needed)

- **Submitting Individual Health Care Plans**

No initial Enrollment Forms will be finalized until a completed/ updated EEC (Department of Early Education and Care) Individual Health Care Plan (IHCP) has been submitted. These forms will be sent

to you via e-mail and are also available on our website under FORMS. *This form must be signed by your child's physician so please plan accordingly.*

A confirmation that your enrollment is complete will only be sent after we have received the completed IHCP.

- **Required Medication**

All medications required by an EEC Individual Health Care Plan must be kept up to date. Due to our licensure we cannot administer expired medications. A reminder will be sent out to you via e-mail, along with our policy statement, a month in advance of the expiration date. If your child's expired medications are not replaced, it can result in removal of your child from the program until the medications have been updated. **Medication Administration Forms** must also be up to date and signed by a parent or guardian.

BSED expects the forms to be kept current. The parent/guardian must provide new information to the Director regarding information on forms such as: emergency persons, names, employers, phone numbers, and arrival/departure changes

WAIT LIST/OPENINGS

Full and part-time openings are determined on the basis of FEDs (full-time equivalents) and the number of FTEs permitted by the BSED license. When full or part-time openings occur, parents/guardians of children on the wait list are contacted for enrollment on the basis of: (1) the schedule indicated on the wait list, (2) on a first come basis for the available time according to the date of wait list placement, and (3) priority to full-time working parents/guardians. Wait Lists do not rollover to the following year.

CHILDREN WITH SPECIAL NEEDS

Children with special needs and disabilities are always welcome to enroll in our program, as are all age appropriate children. The mainstreaming of special needs children has always been encouraged at BSED and meeting the needs of that child will always be a top priority of our program as long as it does not place an undue financial burden upon the program or presents a danger to the child or other children. Any parent/guardian of a child with special needs should make an appointment with the Director, soon after enrollment, so that the Director can make appropriate arrangements/accommodations for their child and, in the future, act as a liaison to any of the school agencies that may be involved with their child.

WITHDRAWAL FROM BSED

Parents/guardians intending to withdraw their child from BSED must provide a statement in writing to the Director at least 30 days prior to the discontinuation of this service. If you withdraw without given notification, tuition will be due for the 30 days beyond your withdrawal date.

PROGRAM INFORMATION

CALENDAR (Due to the COVID-19 crisis, we will open when granted permission by the PSB and will endeavor to follow the adjusted calendar throughout the year. Any changes to the schedule will be sent to you in a timely manner.)

The BSED program calendar is the same as the Brookline Public School's calendar. BSED is **not open** during any school vacations. BSED will begin its operations on the first day of school. If the

Kindergarten classes observe a staggered schedule on the first few days of school, Kindergarten Extended Day will begin operation on their first FULL day.

EARLY DISMISSAL DAYS/CONFERENCE DAYS

On the days when school is dismissed for the purpose of teacher conferences, or teacher in-service workshops, BSED will begin for all children in grades K-7 at 12:40 p.m. If this day is not your child's regularly scheduled day, you may request permission from the Director for your child to attend on that day until 2:30 p.m. Please note these days on your calendar when they are published in early September. BSED will make every effort to post reminders the week before early dismissal.

LOW ATTENDANCE DAYS

BSED may opt to run a full day program 9 am-5:30 pm on Low Attendance Days depending on the days the holidays fall on. Program cost will be set at time of sign-up. Sign-ups will be limited by available staffing. (Minimum of 25 children must be signed up in order for a program to be run.)

HOLIDAY EARLY DISMISSAL-

In the event the Brookline Public Schools Superintendent decides to dismiss school at noon for a holiday, BSED may have to close early due to the school building closure.

SNOW DAYS

When Brookline Public Schools are cancelled for the day due to inclement weather, BSED is also closed.

STORMY DAYS WHEN SCHOOL IS IN SESSION

In the event of an intense snowstorm that begins after the start of school, it may be necessary or desirable to close BSED early to ensure the safety of the children and staff. On that rare occasion, the Superintendent, will call the parents/guardian at home/work and inform the parent(s)/guardian of the decision to close early or cancel "after school activities". **BSED will then close at 4pm.** It is expected that the child be picked up immediately by parents/guardian or a designated pick-up person.

AFTERNOON CLOSING TIME/LATE FEES*

BSED CLOSSES at 6:00 p.m. Parents/guardians who do not pick up their child by 6:00 p.m. must pay a late pick-up fee of **\$1.00 per minute (per family) starting at 6:00 p.m.** Late fees are paid directly to the staff member who must stay late. Although we appreciate a phone call notifying us of your late arrival, this does not mean the late fee is waived. BSED sign out tablet will determine the official time.

Please note:

* Childcare services may be withdrawn if three late pick-up charges occur within a month and/or the parent/guardian fails to pay the late fees. Please also be aware, the second late fee in a month will be \$2.00/minute, the 3rd, \$3.00/ minute and so on. Parents/guardians will be given written notice of the possibility of dismissal.

ABSENCES

If your child will not be attending BSED because of a scheduled appointment, vacations, or other planned absences, please notify the Director in advance by calling 617-323-6661 or contacting us through our website/or your parent ProCare portal before the start of our program. **If your child is ill or leaves school early, you must also contact BSED about the illness and/or absence. Messages given to**

the school office DO NOT get delivered to BSED. Absences without prior notification may be mistaken for a missing child and unnecessary concern and time spent in searching for the child may occur. The Director will contact parents when a child does not arrive at the program, as intended, by 2:40 p.m. (1:50 on Fridays). If the parents/guardians cannot be reached the Director will contact the police.

REQUESTS FOR EXTRA DAYS/ ENROLLMENT DAY CHANGES

From September 1st till October 1st NO enrollment changes may be made.

All requests for Extra Days or Enrollment Day changes must be made at least (2) school days before the needed change. These requests need to be made on our website (www.bsed.org) by clicking on the FORMS tab and filling out our *Request for Extra Days or Enrollment Day Change Form*. (These forms will not be available during the month of September.)

**Emergency exceptions to this policy can be made at the discretion of the Director or the Assistant Director.

No changes will be made until a confirmation has been sent back to you.

Requests can be made in person, but must be made (2) school days ahead of the additional/day change and a form still submitted. A confirmation of the request will also be needed and will be sent to you.

NO requests left on our answering machine will be honored.

RELEASE/PICKING UP OF CHILDREN

Children will arrive at and leave BSED according to the schedule written by the parents/guardians on the Arrival/Departure Procedures Form. Children will be allowed to leave with persons other than the parent/guardian only if permission has been given to the Director on the enrollment form or in writing by the parent/guardian.

If your child attends extracurricular activities or has any other kind of arrival/departure time change within the period he/she is enrolled in BSED, the parents/guardians must provide the Director with a completed Change of Arrival/Departure Procedures Form, prior to the date the change is effective.

SIGNING OUT PROCEDURE

The person who picks up a child MUST sign out that child. The ProCare Sign In/Out application can be used at any time during the program day to notify us that you have arrived. Children cannot sign themselves out unless they have written permission to leave BSED alone. This privilege is reserved for 3rd-7th graders only. Any 3rd or 4th grader, who has permission to leave the program without parent pick up, must be accompanied by another student of the same age or older. Any child who has permission to leave BSED alone must leave the school building once they have signed out. (Parents/guardians should also check out with a staff member upon final departure.)

SNACK

During this COVID-19 crisis, all children must be provided with a snack from home. In cases of a forgotten or lost snack the BSED will provide a snack.

***Please note we are a peanut/tree nut free facility.**

CHILD'S PERSONAL PROPERTY/ CLOTHING

All children's personal property will be held in separate cubbies. Children's personal property, coats, clothing, school bags, etc. must be cleared from the rooms after each session of BSED. Any personal property that remains after the session will be taken to the school lost and found box after one month.

Although BSED attempts to help children stay organized, BSED cannot be responsible for lost personal property.

PARENTS/GUARDIANS ARE ASKED THAT THEY LABEL ALL PIECES OF CLOTHING, BACKPACKS, AND LUNCH BOXES WITH THEIR CHILD'S NAME.

Children should be dressed in appropriate clothing for the season and be aware that BSED will be outside during some part of the day in a variety of weather conditions. Winter and spring play can involve wet clothing. Please provide your child with a change of clothing so that they are able to participate in all our activities. Hats, mittens, and boots are a must in snowy/muddy weather.

Children should not bring money, toys, food, or other items that are not necessary for school activities to BSED without checking with the Director.

CONFIDENTIALITY AND DISTRIBUTION OF RECORDS

All children's records are private and confidential. Parental/guardian written consent must be obtained to relay/distribute any information to unauthorized individuals. A permanent record will be kept of all records released and to whom those records are released.

Activities unrelated to childcare must have written parental/guardian permission before they are pursued. This includes fundraising activities, program publicity, media interviews, and any photography distributed outside the program.

HEALTH AND SAFETY POLICY

If your child has a known severe allergy or medical condition (asthma, diabetes, seizure disorder, etc.), this information must be CLEARLY stated on the Child Information Form filed with your child's enrollment. An Individual Health Care Plan (IHPC) will be generated by the Director, to be signed off on by your child's physician, instructing the staff what to do if a problem should occur during the BSED hours. Please be sure that the medication is available and that the appropriate forms (Medication Administration Form) for its use have been completed.

ILL CHILDREN (All COVID -19 policies concerning a child who exhibits coronavirus symptoms are posted on our website)

BSED's Health Care Policy is available for review by all parents/guardians and is located on the Bulletin Board above the sign out sheet. Please keep these policies in mind when considering whether a child is well enough to attend our program.

Parents/Guardians may **not** send a child to BSED if the child has:

When a child becomes ill during BSED hours, the parent/guardian will be contacted and the parent/guardian must make provisions to pick up their child within an hour. Failure to comply could result in dismissal from the program. The following are the reasons a child will be considered ill:

- Exhibits one or more symptoms of the coronavirus not related to a previously known condition.
- Any rash of acute onset associated with fever or symptoms of illness
- Vomiting once

All personal information will be confidential.)

Parents/guardians will be notified by email and/or signs posted at the sign out area of the presence or outbreaks of certain diseases. EMERGENCY MEDICAL PROCEDURES

In the event of a medical emergency, BSED uses the following procedure:

- Render First Aid
- Call 911 for an ambulance or cruiser if necessary
- Call poison control if a poisoning has occurred
- Call the parent/guardian and request that they meet the staff person immediately at an appropriate medical facility.
- Accompany the child to the medical facility.
- If this is a non-life threatening emergency that would require a hospital visit, a parent/guardian will be contacted to immediately transport the child or a staff member will transport the child to the facility and await their arrival.

LOCKDOWN/EVACUATION PROCEDURES

These procedures are to be used in situations that require students to be restricted to the extended day rooms or evacuated to another facility. These situations include but are not limited to violent threats, armed intrusions, natural disasters, building search, injuries to students or staff, or police activity in the neighborhood. Any staff member who observes any crisis situation will immediately contact the Director.

The Director will have the following responsibilities:

- Decide an appropriate action either lockdown or evacuation.
- Call 911.
- Coordinate all actions with police.
- Contact the Board of Directors.
- Move to each extended day room to signal "All Clear" to staff and students.

LOCKDOWN PROCEDURE

The Staff will have the following responsibilities:

- Upon hearing "begin lock down procedures", immediately require all students in areas outside extended day rooms to go in to the first available supervised and lockable room. Staff primary responsibility is the students in their charge.
- Staff will close and lock all doors in the respective rooms and areas.
- Staff will turn off all lights and children should sit on the floor away from the windows and doors.
- Staff will take attendance.
- Staff will only open the door to persons they know.

- Staff will keep children in their lockdown areas until the Director comes and gives them the “All Clear” signal.

EVACUATION PROCEDURE

All Extended Day rooms have exit routes posted on the wall near the exit door of the room. All Extended Day Programs/children meet on the tennis courts behind the school.

The Director will make the decision to go to a nearby shelter. Our first site is: Temple Emeth. We will proceed right down Beverly Road, take a left onto Grove Street, cross over Grove Street at the light, and continue into Temple Emeth’s side entrance.

- Staff will have class lists with them to verify the presence of students. Attendance will be taken before we depart and again when we arrive.
- The Director will bring the master enrollment list to the shelter.
- Individual plans will be established for students for whom mobility may be an issue.
- All staff will bring available cell phones and any items assigned to them (food/drinks/games).
- The Director will take emergency medical kit with necessary medications and supplies.
- The Director will set up a command center at evacuation site.
- At our site we will begin the process of notifying parents/guardians.

BSED SECURITY

All doors to Baker School will be locked at 3:30pm. Entrance to our programs, after 3:30pm, can be made only through the atrium/cafeteria doors (after 4:30 pm.) or the lower Extended Day room doors which will only be open from September to December and April to June. Through January, February and March this door may be closed due to heating issues.

All children must report to a teacher before leaving and all children must be officially signed out by a parent/guardian.

FIRE DRILLS

All fire drills during the regular school day are planned and executed by the Baker School Principal and the Brookline Fire Department. BSED is required to follow those plans and participate in them fully. In the event of a fire alarm after school hours, BSED will use the same procedures as they do during the regular school day. BSED schedules ten/lockdown/ evacuation drills of its own during the school year. All evacuation procedures are posted by the sign out table and certified by the Brookline Fire Department.

POLICY REGARDING ABUSE

Institutional Abuse

Any suspected abuse by a staff member will be handled in the following manner:

All parents/guardians should report suspected abuse and neglect to the Director or Department of Social Services (DSS). DSS and the Office for Children will be notified immediately should the Director be required to file a 51A on behalf of the child for abuse or neglect occurring during the program participation.

If an investigation is initiated to determine the validity of the allegations, the Director will:

1. Give the staff person the opportunity to discuss the allegations with the appropriate persons.
2. The staff involved is relieved of teaching duties and direct contact with children until the DSS investigation is complete.
3. The Director assures BSED’s complete cooperation during the DSS investigation and will immediately inform the Board of Directors of action taken.

Non-Institutional Abuse

All staff must report suspected child abuse or neglect. The report will be made to the Director or to the DSS in the form of a 51A report. The Director will immediately report suspected abuse or neglect to the DSS. The BSED staff has been trained in identification and procedures for reporting any suspected abuse.

Sexual Harassment

BSED's sexual harassment policies and procedures are in accordance with those in effect for the Brookline Public Schools and as prescribed by state and federal laws such as MGL Chapter 151C, Title VII of the Civil Rights Act of 1964, and court decisions and administrative rulings rendered by the Office of Civil Rights, EEOC, and MCAD regarding prohibition of sexual harassment.

VISITORS AND OBSERVATIONS Parents/guardians and community members who are screened by the Director are welcome to observe BSED. For liability and supervision reasons, it is not possible for children who visit BSED to take part in activities.

INSURANCE – HEALTH/ACCIDENT

BSED carries liability insurance, but as a non-profit it has limited financial resources of its own. Families are encouraged to provide their own insurance coverage. Many families are covered by the parent's/guardian's policy at work, and/or their own private policies.

PETS

Due to health implications to the children and the physical space, no pets are allowed to enter the program unless they are being physically restrained by their owner. At the discretion of the Director, the owner may be asked to keep the pet outside the program.

WEATHER/CHILD SAFETY

1. Outdoor play will not be allowed when temperatures (including wind chill) falls below 15 degrees.
2. Staff will stop any child from getting into a car with an adult they believe to be under the influence of drugs or alcohol. Staff will call the police to give the child and parent/guardian a ride home. Staff will not under any circumstances give transportation to a parent/guardian who appears to be impaired by drugs or alcohol.

DISCIPLINE AND DISCHARGE

Children are entitled to a pleasant and harmonious environment at BSED. BSED cannot serve children who display chronically disruptive behavior.

Chronically disruptive behavior is defined as verbal or physical activity which may include but is not limited to behavior that: requires constant attention from staff, destruction of property, leaving the program without permission, inflicts physical or emotional harm on other children, abuses the staff, ignores, or disobeys the rules which guide behavior during the school day and BSED time. If a child cannot adjust to the BSED setting and behave appropriately, then the child may be discharged.

Reasonable efforts will be made to assist children to adjust to the BSED setting.

Disruptive behavior will be dealt with in the following manner:

1. The child will be given one or two verbal warnings by a teacher that he/she has one more chance to behave as requested. As part of these requests, the teacher will explain

- the reason for the request. In the instance of a dispute between two children, the teacher will model effective conflict resolution skills.
2. The misbehaving child will be given a five-minute time-out, for him/her to cool off and think about his/her actions. When the time-out period is over, the teacher will reinforce the correct behavior.
 3. If a second, 5 minute time-out is given to a child in a single day, an incident report will be written by the Director. This report is to be given to the parent / guardian to read and sign. The report will be returned to the Director who will file it with the child's enrollment information.
 4. If a child receives three written behavior-related incident reports in one week, the child's suspension will be effective at the end of the day of the third report. During this suspension, the parents/guardians, caregiver, and a member of the Board of Directors, will meet in a conference setting to determine the conditions for reinstatement.
 5. The parent/guardian meeting will include referral information for evaluation, diagnostic or therapeutic services, and the programs plan to pursue options for supportive services including consultants and teacher training. All options other than further suspension or termination will be pursued at this time. Parents/guardians will be responsible for the payment of tuition during the period of suspension or until the child is withdrawn from the program or is discharged by action of the Board of Directions. Tuition and refund policies shall be set out in Fees and Payment.
 6. If the child is reinstated in the program (and all accommodations have been rendered) the Director may suspend the child immediately if another behavior-related incident were to occur. At this time, the Director will notify the parent/guardian to come and remove the child. The Director may make such recommendations to the Board of Directors as are appropriate, including the discharge without the right of reinstatement. Tuition and refund policies shall be as set out in Fees and Payment.
 7. If the severity of an incident is great enough that it could endanger the safety of the child or other children in the program, discharge will be effective immediately after the Director consults with the Board of Directors who will notify the parent/guardian.

Other Reasons for Discharge

1. A child may be discharged if he/she is picked up late three times with in one week or is consistently picked up late through out the month. (See Afternoon Closing Time)
2. A child may be discharged for non-payment of fees as discussed in Fees and Payment.

PARENT/GUARDIAN CONFERENCES/ CONCERNS

If a parent/guardian would like a conference with a staff member or the Director, the best time to call to make an appointment is between 5:30-6:00 p.m. The staff is also available to confer informally by telephone from 1:00 -2 p.m. each day for K-2 and 1:30-2:20 p.m. for 3-7th grade.

If a parent/guardian should have a question, concern, or complaint regarding any aspect of BSED, it is in the best interest of the program that the initial communication occurs between the parent/guardian and the staff member(s) involved in the issue. If the issue is not adequately resolved, the Director is always available to discuss any problems and hopefully come to an amicable resolution. In the event this is not possible, Board members are available to handle any further concerns and will bring those concerns to the full Board of Directors. BSED Board members' names and phone numbers are posted on the Bulletin Board by the sign out book.

MISCELLANEOUS

RESEARCH AND EXPERIMENTATION

Written parental/guardian consent must be obtained for any outside project being conducted within BSED. Written consent must be obtained from all members of a group when observations are being made of the group. There will be no interactions between the child and observer and no identification of the individual will be made.

TELEPHONES

Please note that BSED has two phone numbers available. The Brookline Public Schools phone system number for our program is 617-879-4153 and is located in the K-2 program (upper extended day space) and will be only accessed during program hours. **BSED's own private number is 617-323-6661** and is located in the Director's office in the 3rd-7th grade program (lower extended day room). Please leave all messages on the 617-323-6661 phone.

Calls to the BSED program requesting that children be available, ready, and waiting before the end of our day should be limited to **emergency purposes only**.

CELLPHONES/SMART PHONES-

Any child with a cell phone/smart phone will be required to store that phone, during program hours, in his/her backpack or be given to the BSED staff for safe keeping. Use of a cell phone/smart phone during program hours is prohibited. Any child found using a cell phone during program hours will have it confiscated. Confiscated phones will be returned to the parent/guardian at pick-up time.

COMPUTER USE-

BSED allows children to use our computers for homework, research purposes, and teacher directed choice activities (video making, photography, design). Limited time use of approved video games, during free time, is allowed for our 6/7th grade program. All computer use is done under teacher direction. All students using BSED/Baker School computers must sign off on the Brookline Public Schools Computer Use Agreement. Any inappropriate use of our computers will result in parent/guardian and school administration notification and the loss of privilege to use the computers. Parents/guardians are welcome to add further restrictions to their child's use.

PARKING

Parents/guardians picking up children should park in the school parking lot and WALK UP the walkway to the atrium /cafeteria doors. During early fall and late spring, parents/guardians may park behind the school after 3:30 p.m. and enter the lower rooms but will need to be mindful that there is traffic in this area due to use of the tennis courts. (This entrance will be **locked** when the town declares Beverly Road a one-way street for the winter months.)

FAMILY ISSUES/DIVORCED PARENTS

It is the mission of the Baker School Extended Day Program to be a support to families and promote positive development for children. We recognize that many families are in transition and have experienced divorce and separation. To provide the best care for your child, who is our main priority, we feel that it is vitally important that we be able to maintain good relations with all the significant adults in his/her life.

The staffs of the Extended Day program are trained and sensitive to the issues of divorce and separation. The Director asks that you make an appointment to meet privately with her to discuss any

matters of importance in relation to the divorce/separation and any other issues that may help us in the care of your child. We need to be very clear in regard to the following:

- What the custody arrangements are
- Which parent to contact first for general questions and in an emergency
- Whether duplicate program information should be sent to both parents
- Who is responsible for payments to the program
- Who will or will not be authorized to pick up the children
- Who the other significant adults are in the child's life and their relationship to the child especially if we are to have contact with them as well.

It will also be helpful to discuss the child's general feelings as you see it, so we may be appropriately responsive to your child when he/she is with us.

In an effort to minimize situations which may be uncomfortable for you, your child, and our staff we ask that parents/guardians refrain from talking about custody issues, visitation disputes and problems with, or talking negatively about the child's other parent/guardian in front of the children. Please note, we cannot deny a parent/guardian access to their child upon word of the other parent/guardian unless we have a copy of a court order stating that this is the case. If there are concerns we need to be aware of, please arrange to meet privately with the Director. Once again, it is the child's wellbeing that is our main priority and we need to be able to maintain good relations with both parents/guardians.

INDEPENDENT AFTER HOURS CHILD CARE

Some families that attend Baker School Extended Day may engage Extended Day teachers to provide babysitting or child care services outside of Extended Day normal hours of operation. The Board of Directors wants to be certain that the parents and the employees of Extended Day understand that these services are separate and independent from the operations of Extended Day, and that Extended Day does not represent, warrant or affirm the competence, fitness, skills, or appropriateness of those employees to do after hours duties, including but not limited to babysitting. For further clarification, parents/guardians can request a copy of the full policy from the Director.

These policies have been reviewed and approved by the Board of Directors. If you have any questions or concerns please contact the Director.
